Carez, Crianza	Navarra & Aragón, Spain	2021	£7

# Coravin Wines by the Glass

Coravin is a device that allows you to extract wine from a bottle without removing the cork. A small, hollow needle is inserted through the cork and foil. The needle is designed to pass through without damaging the cork or the seal. A cylinder injects argon gas into the bottle to replace the wine that was extracted. When the needle is removed, the cork reseals itself, leaving only a small pinprick in the foil.

## WHITE WINES

			125ml
Maxime Cheurlin Noëllat, Meursault 1er Cru Les Cras	Burgundy, France	2017	£35
